Re: Closure of Emergency
Administrative Order
Docket No. SDWA-08-2006-0023
PWS ID # WY5600896

Dear Ms. Upsher:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Emergency Administrative Order ("Order"), Docket No. SDWA-08-2006-0023, issued to Camp Creek Inn on April 11, 2006. The EPA has determined that the water provided by Camp Creek Inn water system no longer presents an imminent and substantial endangerment to public health, therefore we will close the Order at this time.

Please be aware that Camp Creek Inn PWS is still required to comply with the National Primary Drinking Water Regulations ("NPDWR"), 40 C.F.R. part 141. Violation of the NPDWRs or an administrative order may result in a court-imposed injunction and penalties of up to \$32,500 per day of violation.

If you have any questions about this matter, please call me at 303-312-6896.

Sincerely,

Lisa Kahn, Team Leader
Drinking Water Enforcement Program
